England Netball Association
TOURNAMENT ORGANISATION AND RULES

ORGANISATION

Division of teams into Sections - all teams play each other (seeding if possible). Winners and Runners-up of each section regrouped for quarter/semi finals (according to number of Sections) leading to finals:

i.e. Winner Section A v Runner-up Section B
Winner Section B v Runner-up Section A

OR

Division of teams into Sections - all teams play each other. Winners and Runners-up then regrouped into one Section when each team plays every other team - no finals match will then be necessary.

N.B. The first method of organisation is the most commonly accepted and is to be used for all Shropshire tournaments whenever possible.

Umpiring will be organised on a neutral basis throughout the tournament. At quarter and semi final stages, umpires of those teams involved will be expected to umpire a match not involving their team. Losing semi finalists will be expected to provide an umpire for the final. **UNDER 14, U16 AND U19 UMPIRING MUST BE ORGANISED ON A NEUTRAL BASIS.**

Team Bench. It will be the responsibility of the umpire to determine the area of the court to be deemed 'The Bench' and will make this known to the players and coaches prior to the match.

RULES

Scoring

5 points for a Win

3 points for a draw

1 point to the losing team if scoring over 50% of the goals scored by the winning team.

In the event of a tie on points, goal average will decide placings (goals for divided by goals against)

If goal average is drawn then goal difference will be applied (the difference between goals for and goals against).

If goal difference is drawn the result of the group match between the two teams will be the decider.

In the event of a further draw the team with the most goals for will be adjudged the winner.

Quarter, Semi and Finals (where applicable) - in the event of a draw at full time, extra time of two and a half minutes each way will be played changing over at half time without a break. In the event of a draw at full time, play will continue without a break until the next goal is scored.

Squad/Substitutes

Players may only play in ONE age group eg a Year 8 player may play for your U13 team but then is no longer eligible to play in these tournaments at any other age group. Each team is allowed a squad of 12 players. Substitutes can be made at half time is required. In the case of an injury, England Netball rules apply. (If in doubt, please see rules book)

Late Arrivals

If a reserve starts playing because of the late arrival of a player, she must continue to play until half time.

No team may start a match with less than 5 players.

Late arrivals may not enter the game while play is in progress - only after a goal is scored. The player must play in the vacant position, and substitutions will be allowed at half time.

Accidents and Injury

No extra time is allowed. An injured player must leave the game immediately except in the case of a back or head injury in order that the game can continue. She may rejoin the game but only:

- if no substitution has been made
- to the vacant position on court

In the event that a player cannot be removed from the court, the game will be abandoned, and will be replayed later in the tournament at a time to be decided by the tournament organiser.

In the event of an injury where blood is evident, the player concerned will be asked to leave the court to receive attention. She will only be allowed to return to the game once both umpires are satisfied that the injury has been adequately covered.

Individual schools must accept responsibility for allowing an injured player to participate or to continue to participate in a match.

Team Managers must bring their own First Aid kit.

Accidents and Injury during the Final

The same accident and injury rules apply during the Final of a tournament, except that up to **2 minutes injury time (per injury)** will be allowed to determine whether the player is able to continue or if a substitution needs to be made.

Tournament Referee

A Tournament Referee should be appointed and her sole duty should be to adjudicate on matters of dispute. The Tournament Referee and adults representing the teams concerned - with reference to Umpires if required should settle such disputes.

Players should **not** be allowed to interfere in any way with the discussions.

DUTY OF CARE

As recommended by England Netball, we as professionals have an overriding Duty of Care to our players. To ensure their safety, players should only play **within two years** of the age banding if **absolutely necessary**. For example: a Year 8 player should only play in a Year 8 and/or Year 9 team / age group.

Overplaying contravenes the best interests of the young person. As an Association we strongly encourage wider participation.
