

Well what can I say, what a strange and slightly challenging season.

As always I thank our team of volunteers for all the work they have done to promote netball, provide academy coaching and support the leagues & clubs between Sept & Lockdown. No one could of predicted what was ahead of us.

To those leagues that managed to finish before the sudden lockdown – well done. To those of you that did not quite manage it, I do hope the advice from England Netball and relayed to you gave you the opportunity to finalise your league.

My thanks go to the committee who have continued to support Shropshire Netball through numerous Zoom Meetings and work behind the scenes.

I have been involved with EN Zoom meetings, much of which they have sent to Members now and I am sure you are all aware that the challenge now is getting Netball. This will happen, but there is a lot of Admin work to be done by clubs, teams and leagues to get us there.

I just want to again thank each and every Shropshire Netballer for being supportive of the County Committee.
