

Dear All,

Please find an invitation to attend one of two Officiating forums to discuss in further depth the modified game during stage 4a and the vital role Officials have in supporting us all to #RiseAgain

If you are unable to attend please don't worry as the session will be recorded and circulated so you can view it at your own leisure.

To Register in advance for a forum please click on one of the links below:

After registering, you will receive a confirmation email containing information about joining the meeting.

This session will be led by Gary Burgess – England Netball, Head of Officiating and Ian Holloway – Superleague and Competitions Director. This forum will focus on the responsibilities of Officials prior to attending a training session or match as well as an officiating specific look at the modified game.

Prior to the forums we would urge you to take a look at our videos on the modified game and the follow up explainer video with Colette Thomson, Gary Burgess, Katy Ritchie and Serena Guthrie. In addition to the videos we also provide a link to the Covid 19 Care Package where you can find all of the most up to date information relating to the role of an Official.
